Parent and Community Engagement

At Cairns West State School we believe that parents are partners in education and that their involvement is critical to successful teaching and learning. Our Academic Success Guarantee insures that parents take an active role in setting academic goals in partnership with their child and the teacher. Parents are encouraged to maintain regular contact with the school and their child's teacher and are invited to attend parades, award afternoon teas with the Principal, sports days and other school events and celebrations. One of the driving forces of our invitational approach is the continued funding and employment of a school community engagement officer who is responsible for promoting and enticing families into the school. A school chaplain is also employed to be a support service for families. The school will also continue to promote many and varied cultural, sporting, educational and social activities to further strengthen our school community
