PARENT or GUARDIAN

I understand that the Internet can provide students with valuable learning experiences. I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive. I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students. I believe my child understands this responsibility, and I hereby give my permission for him / her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.

PARENT / GUARDIAN AGREEMENT

As a parent / guardian of this student, I grant approval for my child to use the computers and internet access under the conditions stated above.
